Recommended Use

- Indoor and outdoor wall use

Installation and Maintenance

- Install per TCNA methods for ceramic tile
- Always dry-lay material before installation
- Refer to detailed specifications on www.medicinandco.com
- Natural stone, crackle-glazed ceramics, and cracked glass should be sealed prior to use, and re-sealed annually thereafter.

Notes

- Each carton contains a random mix of 6 patterns within the collection. The tile must be sorted and dry-laid prior to installation to ensure a random mix of patterns.
- Refer to the following page for images of each pattern.

Please note: variations in color, shade, surface texture, and size are natural characteristics of all our products and should be expected. Images shown are representative, but may not indicate all variations of these characteristics.
